About

I am a recently qualified architect with an interest in the integration of architectural research and material science within building design. I believe these fields have the potential to make a positive impact on the sustainability of the built environment of the future and the preservation of historic buildings. I am a good team player and I am logical, enthusiastic and efficient.

Experience

Mar 2021 - present
Architect / Part 2 architectural assistant - MCW architects, Cambridge

- Part of MCW's Revit core team. Revit lead on two projects.
- Avenue Maidwell, Northampton - part-demolition, refurbishment and extension of 1930's academic building to social housing. Stages 2 - 4.
- Swiss Laundry, Cambridge - five small office buildings on old laundry site. Stages 4 - 5. Project Revit lead.
- Feasibility study for future usage of Grade II* listed The Lawns, Hull by Gillespie Kidd & Coia.

Oct 2020 - Mar 2021
